1. I walk you now into halls of power; slate, glass, and ornate brass, and things you know nothing of, things you have never seen. Ornate'cy of ornate'cy, the finest in men's eyes that there is. Ornate craftsmanship of gold, yet to behold, you will see. And you will believe and you will see Me in their eyes and you will see not-Me in some eyes; yea you will believe all that I said is true, true now, true today, not afar off; now.
2. I am taking you into halls of power, quarters and cloisters; places of Me, places of not-Me, places of so little Me, places of much-Me. Yea, I come, I call, and I am not afraid **and you are not afraid; the reason I can take you there and walk you in this honor is that you are dead, for you are truly alive.** You are dead to the directives of this world and the directorates of doctrines of not-Me.
3. You will deliver Me, deliver Me to those who freedom seek, yea many will.
4. Many will see Me and know Me and freedom be and fullness directives make, directing the destruction of so many directives. See what I have said.
5. I come and I call My drink offering. I call My All Provision to My drink offering. **I call My body to My dead, the dead that are dead to the things of not-Me, so that accolades and honor no longer repugnate and become repugnant, a stench, yea putrefied; when they could have been and had and flowed the river of life so freely.**
6. I am bringing My all to My all; all who will die, take up their cross/My cross, being Me, and know who they are and walk not-afraid; not afraid of lions nor adders or scorpions many; afraid of nothing; hot coals forbearing, coals from My altar (1), My fire/Me.
7. I love you and I connect; ingratiate not. I sever and I connect and I connect and I sever and I weave My people in and throughout My body to be My design; **taking them** experimentally, not, but **experientially, yea into the adventure their heart longs for, yearned for and dies for; now reality, knowing their place, their space, and being Me.** I love you and I give you Me.
8. Think it not strange, think it not strange who I connect and what I do, in what I bring, who I bring, how I bring them and how I bring it; how I bring My supply lines of all-provision, connecting, day by day, day upon day, night of Me, day of Me. I love you.
9. Think it not strange, My drink offering, who I love with all My heart.
10. I love you and I bring the mighty, I bring the mighty, I bring the mighty.

11. I bring those who have stood, those who will stand, those who will speak and not-afraid be, fearless be, fearlessly standing for My truth, My being Me, letting Me be Me and letting Me speak. Watch Me.
12. Listen, look and see. See the hand of the Lord, see My hand sweep the earth, gathering My reapers for My harvest. I love you. Yea, bone-dead, some; marrow alive in Me, yea seeking My deliverer, deliverers many. I love you. **My school of deliverers making; deliverers in the making, making deliverers, making those who can walk untainted by the glass, the brass, the gold, the ornate works of art, the iron-clad hearts, those of steel, breast plates of righteousness-not; and never be afraid, daunted, never; walking in the forefront of what I am doing today.** Watch Me.
13. Thank you for deliverer being, deliverer making deliverers many; My saviors, saviors many; not just one, not one; one, all in Me, one; we are one. I and My body are one, you and My body are one, you and My Father are one, I/we altogether, us, one.
14. Thank you for capturing the heart of My heart in unity prevailing, in wickedness not, but **delivering My deliverables with My delivery system.** Yea watch Me. Watch Me.
15. Into Me see and hold My hand. We walk together, we ride, we fly, yea over land and sea and through that which cannot be seen **and that which has never been seen.** Watch Me. I love you.
16. Think it not strange. **Thank you for allowing Me to be Me and not directing the dictates of man to govern your heart**, but Me, My love, My power, My authority, My majesty, My correction, My judgment, My discipline, yea My love which I pour forth upon you more and more; **You rivering Me to My body, My body royal and unroyal, making them know they are all royal, the royal priesthood, kings and priests, priests and kings, kings/priests-priests/kings: one; a royal race, a holy nation, yea the priesthood of Me.**
17. I am the High Priest, yea we worship together, we live, yea we frolic, we rock and roll and we laugh and we serious are and somber little, yea watch Me. Laugh more with Me and see Me in My laughter, My jokes, My rollicking. I love you.
18. Thank you for not limiting Me in walking with My altogether lovely in high-places-thought and low-places-thought, in every place; in places you know nothing of that now I take you in the wee hours, in the weeks and months and yea time immemorial, forward and backward, being Me, time and space independent, dependent on only Me; My hand in yours, yours in Mine, us ruling and reigning together making directives of only the love of sharing My love placed on platters royal before My body; they choose, they choose every day. I love you. Good day. My day of arises. Watch Me. Watch Me.
19. **My Amy's, My Christopher's, My Marci's, My students, My disciples.** Watch Me. **My who love Me so deeply, who so sensitive are.** Watch Me.
20. Watch My deliverers come, **deliverers make, delivering My deliverables in delivery systems of only, only, only Me; My blood, My body, My bread and wine,**

**yea each other to each other, through each other, for only Me.** Watch Me.
21. Enjoy Me and laugh with Me this day. Laugh with Me, laugh with Me. Thank you. Amen. Amen. I love you. Amen.

Footnote:
1. Isa 6:6-8 Then flew one of the seraphims unto me, having a live coal in his hand, which he had taken with the tongs from off the altar: And he laid it upon my mouth, and said, Lo, this hath touched thy lips; and thine iniquity is taken away, and thy sin purged. Also I heard the voice of the Lord, saying, Whom shall I send, and who will go for us? Then said I, Here am I; send me.
